Sub: Report on Jagriti - Foundational Course for Clinical Care - A value added course conducted from 27th January 2024 to 1st February 2024

Respected Sir,

The program "Jagriti - Foundational Course for clinical care, A value Added Course was conducted from 27th January 2024 to 1st February 2024. The Course was followed by the White Coat Ceremony on 1st February 2024 from 2.00pm to 4.00pm in the 2nd Floor Auditorium.

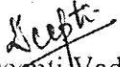

We wish to thank you for supporting the Health Professional Unit in successfully conducting this program. A total of 57 Undergraduate students and 30 PG students benefited from the workshops.

The "Jagriti - Foundational Course for clinical care" program aims towards capacity building of our undergraduate students as they enter the clinics. This year too, the Jagriti program trained the students in various important skills through Workshops on Ethics and Professionalism, Sterilization & Infection Control Practices, Prescription Writing and Communication Skills.

The feedback and evaluation received from the undergraduate students indicate that the workshops were successful in instilling the core values of professionalism, skills of communication, fundamentals of sterilization and infection control practices and prescribing medications to patients. The 3.5 day program concluded with the White Coat Ceremony where students expressed their feedback on the training received and took the Hippocratic oath.

The detailed reports of the workshops are attached along with the relevant photographs. We once again thank you for your constant support for the activities of the Health Professional Education Unit.

Yours Sincerely

Dr Deepti Vadavi
HPEU Committee Head

Subject: **'Say No To Bleeding Gums' Drive A Pink Health Initiative** Celebrations from 1st February to 20th March 2024.

Respected Sir,

We are planning to celebrate **'No Bleeding Gums' Drive** from 1st February to 20th March 2024 in association with Indian Society of Periodontology (ISP), our college is one among the 100 colleges which are a part of this drive. This event is spread over 2 months starting from 1st February and culminates on 20th March 2024.

This drive will have the following programs planned-

- A. Screening of Patients**
- B. 23rd Feb- Periodontist Day**
- C. 8th March - International Women's Day**
- D. 20th March- World Oral Hygiene Day**

Wherein we will do other activities as well involving students and other departments.

The details of the activity shall flow as under:

1. The college shall observe **'No Bleeding Gums' drive** from 1st February to 20th March. This will entail general checkup and patient education using education leaflets and tooth paste sample distribution provided by the head office of ISP. All these will be documented through photograph and uploaded to a common platform, link of which would be provided. Target would be screening and education of 700 patients in 50 days.
2. The third week of February shall be focused on the **'Women Check ups'** and alongside message of oral care with special focus during pregnancy.
3. 23rd Feb shall be celebrated as **'Periodontist Day'** engaging the Interns with various competitive fun activities. (ISP Head office shall provide the colleges with some small gifts for the winners).
4. 20th March week shall be the culminating week with varied activities in the college and surrounding public places.

Report –Sanne Nudi

Rotary Club JP Nagar, in association with Rotaract Club of DAPM RV Dental College organised "Sanne Nudi", a Session for learning sign language, on Saturday, 16th December 2023 at DAPM RV Dental College, Bengaluru. Rtr. Anisha Srinivas, the 9th president of RaC Hyderabad Himayathnagar, guided us through the fascinating world of Sign Language, providing valuable insights and learning opportunities for all.

Some of us were eager to enhance our communication skills, whereas some of us were simply keen on learning something new. We were taught letters of the alphabet, numbers, golden words, basic words used in daily life, how to ask questions and answer them in sign language.

It was an interactive session that was both educational and fun. It was a session that kept us engaged and let us learn the world of Sign Language together. At the end of the session, we were all confident about communicating solely using our vision and actions, without using our mouth and ears.

Subject: Permission to Conduct "Mental Health and Nutrition Awareness Session" in the IInd floor Auditorium.

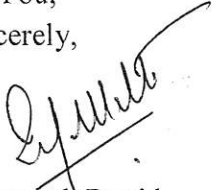

Respected Sir,

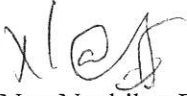

We the members of the Rotaract club of DAPM RV Dental College would like to conduct a "Mental Health and Nutrition Awareness" session in association with the Student Support and Welfare Committee, on 19th July 2023, for the undergraduate and postgraduate students. The session would include a talk on "mental health and its importance among dental students" by Mr. Abhishek Karishiddimath (MSc. Psychology) for an hour followed by an inspiring talk on "Good nutrition and diet" for students by Dt. Sanjana A S (M.Sc Food and Nutrition).

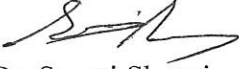

As students we often experience burn out yet tend to ignore our mental health which may lead to adverse effects later, hence we believe this session will help the undergraduate and postgraduate students, to prioritize their mental health just as they would with our tasks at hand. We request Head of Departments to permit all interested staff, interns, and postgraduate, undergraduate students to attend the program.

We are hope for your support and permission to conduct the same.

Thanking You,
Yours Sincerely,

Respected Sir,

Sub: Report on UG Research Synopsis Exposition 2024

The Department of Public Health Dentistry organized the UG Research Synopsis Exposition 2024 on 6th January June 2024 from 8.30am to 1.00pm in the 2nd Floor Auditorium of the Institution.

The UG Research Synopsis Exposition is an extension of the Undergraduate Research Program of the Department of Public Health Dentistry. It was first initiated as a Research Exposition where the original research work of our undergraduate students emphasized the diverse and rich academic skills of our students and mentors. The campus-wide program was well received by the faculty and students and suggestions were made to conduct the exposition at the time of planning of the study also so as to help in proper modifications of the study based on the inputs received. This led to the initiation to the UG Research Synopsis Exposition.

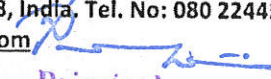

On 6th January 2024, the Department of Public Health Dentistry conducted its 3rd UG Research Synopsis Exposition and overall 8th Undergraduate exposition. This program allows the final year UG students to present their research papers in a conference style. This time we also had a student jury along with the 2 judges. (1 external and 1 internal).

The program began with an overview of the undergraduate research program of the institution followed by the rules and regulations of the presentation in the exposition. Dr Deepti Vadavi was the Master of ceremony for the program. This was followed by research presentations by students followed by question-and-answer sessions. A total of 7 presentations were made in 3 scientific sessions chaired by various faculty of the institution. The judges for the research exposition were Dr. Sarita Yanduri, Oral Pathologist & Dr Sudhir, Reader, Department of Pedodontics. The chairpersons and judges conducted an active discussion during the scientific sessions. The audience involved the 3rd year students and some interested students from first and second year.

The program was well received by the students and faculty. The program ended with a vote of thanks by Dr Harikiran AG and was followed by snacks.

We are grateful to the office of Principal and institution for supporting this unique initiative. We also wish to acknowledge the important role of all the faculty members who have participated as mentors in this initiative to integrate research in the Undergraduate curriculum. We are grateful to

Chief Guest: Dr BS Keshava Prasad, Prof & Head, Dept. of Conservative Dentistry, DAPM RVDC

Speakers: Dr Harikiran AG, Dr Deepti Vadavi, Dr Divya BM, Dr Sujithra S

Participants: 39 (from I BDS to Interns)

Objectives of the programme:

1. To familiarise the participants with the need & importance for funding in research and the various funding sources.
2. To provide practical tips and strategies for successful grant writing, including common pitfalls to avoid.
3. To orient the participants to apply for the Dr Pandurangi Memorial Public Health Research Award Grant.

Overview of the Programme:

At the outset we would like to thank the RSST and the Principal, DAPM RVDC, for providing us an opportunity to conduct this program.

A total of 39 participants attended the workshop, representing all the years from I BDS to Interns. The program was presided by the Principal Dr CS Prashanth, Chief Guest Dr BS Keshava Prasad, Prof & head, Dept of Conservative Dentistry, DAPM RVDC and Dr Harikiran AG, Prof & Head, Dept. of Public Health Dentistry.

The program began with an invocation Song by Dr Sujithra S, Lecturer in the Dept. of Public Health Dentistry and Lighting of the lamp by all dignitaries. It was followed by Principal's Address by Dr CS Prashanth and address by the chief guest Dr BS Keshava Prasad. An overview of the programme was provided by Dr Deepti Vadavi, Reader, Dept of Public Health Dentistry.

The workshop was structured into three key sessions, each focusing on one objective of the program.

1. Grant & Its Role in Institutional Growth and Student's Career - This session was handled by Dr Harikiran AG. He introduced the participants to the grant systems and their role in the research ecosystems. The session dealt with making the students understand the need and importance of grants in their career and how it can boost their CV applications.
2. The various Funding Sources including Dr Pandurangi Memorial Public Health Research Award - This session was handled by Dr Divya BM. The session introduced the

Report- Menstrual Pad Donation Drive

Rotaract Club of DAPM RV Dental College organized a Menstrual pad donation drive on 23rd June 2024, at the Sunbeam Child Fund Association, Puttenahalli, Bengaluru. This was a significant initiative focused on raising awareness about menstrual health, an essential yet often neglected aspect among women. Dr. Roopak, our administrator, was also present at the event. The event began around 11 am, by conducting of a seminar. It covered essential topics such as menstrual health management and hygiene practices, emphasizing the importance of self-care during menstruation. The speakers also addressed common misconceptions and provided practical advice on proper menstrual care, thus breaking the silence and stigma about the same. Next, sanitary pads were donated to around 40 girls, providing them with a vital resource to manage their periods effectively. This aimed to alleviate any barriers these girls might face due to economic constraints. The event was met with enthusiasm and gratitude from the participants, who appreciated the informative sessions and the tangible support provided by the Rotaract Club, and its commitment to community service and empowerment.

Report-Plastic Clean Drive

Rotaract Club of DAPMRV Dental College, in collaboration with Friends of Wildlife and Rotaract Club of JP Nagar, organized a Plastic Clean Drive on 27th April 2024, at Bannerghatta National Park.

The primary objective of the drive was to actively engage the community in promoting environmental responsibility and fostering a cleaner and healthier environment. The specific goals were collect plastic waste, raise awareness about the effects of plastic pollution, and inspire sustainable practices among people.

The program began at 7.30 am, with the gathering of participants at RFO Office, Bannerghatta, followed by registration and distribution of snacks. The participants were divided into teams of 5 each, transported to the venue, and provided with gloves, bags and other necessary equipment for the cleanliness drive.

With enthusiasm and dedication, the participants actively engaged in collecting plastic bottles, bags, wrappers, and other plastic debris. Throughout the drive, discussions and interactions took place among the participants, demonstrating a collective dedication towards creating a cleaner and greener environment. The event was followed by lunch, and ended at 11.30am.

Respected sir,

Sub: Permission to conduct a book donation drive for Orphanages

We Rotaract members request your permission to organize a books donation drive for orphanages.. As students deeply passionate about giving back to society, we believe this initiative will greatly benefit those in need.

The purpose of the books donation drive is to collect gently used or new books from students, faculty and donate them to orphanage. By providing these children with access to educational resources, we aim to promote literacy, foster a love for learning, and contribute positively to their development.

We assure you that every effort will be made to ensure the smooth and efficient execution of the books donation drive, with utmost respect for college regulations.

We kindly request your approval and support for this noble cause.

Yours sincerely,

President Rotaract

Dr.Roopak, our administrator, was also present at the event. It was a heartwarming initiative, benefitting around 40 girls from underprivileged backgrounds. The drive featured the collection and distribution of books and stationery items, ensuring each girl would receive materials suited to her interests and academic needs. We received generous contributions from staff and students of our college. Later, the girls joyously expressed their gratitude through singing and dancing, creating a happy atmosphere. The highlight of the event was a lively game of Pictionary, engaging the girls in friendly competition. This session was interactive, entertaining and encouraged teamwork and imagination among them. The event concluded with smiles all around, highlighting the positive impact of community support and educational initiatives on young lives. Such initiatives not only provide resources but also foster a sense of belonging and empowerment among children in need.

Report – Aarohan 2023-24

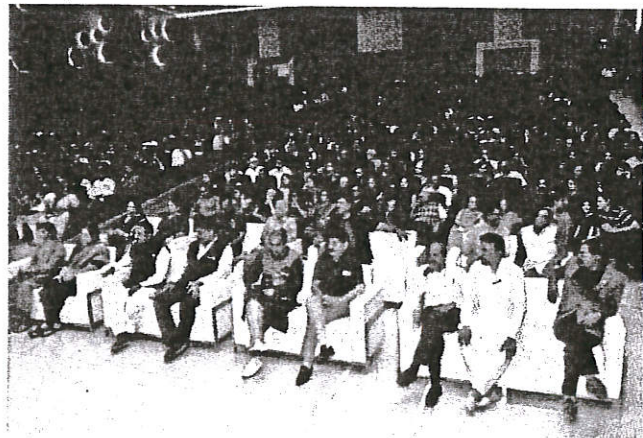

Aarohan is a platform created by Rotary Bangalore JP Nagar, to realise the significance of music as a catalyst that can bring together people and resources for addressing issues faced by the communities. It is a uniquely conceived annual fundraising initiative conducted in aid of paediatric heart surgery, thalassemia, dental treatment, medical disorders for the needy and other projects that deserve special support.

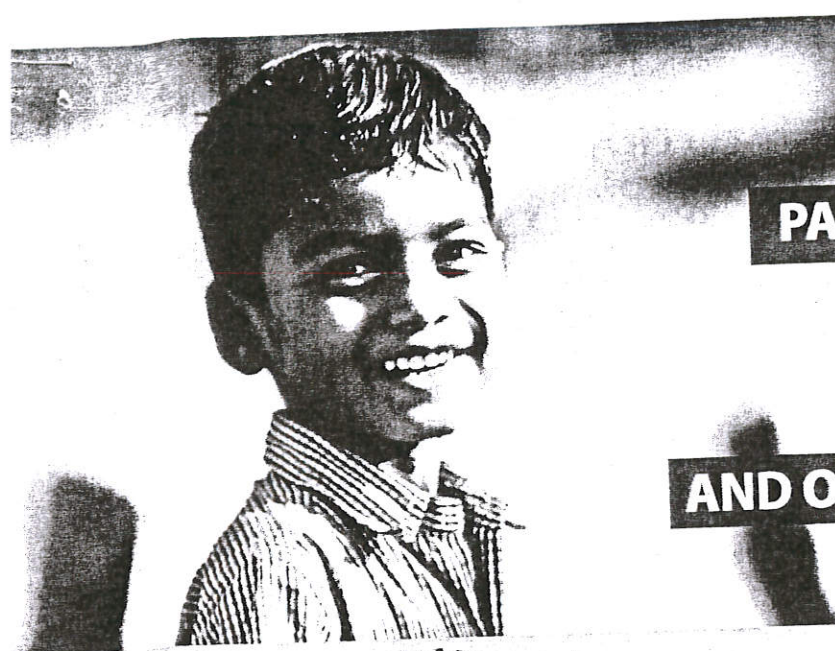

This year, on December 2nd 2023, Vid. Sangeetha Katti with her team entertained the audience by singing varied forms of semi-classical music. The event was held to celebrate 'Parampara', the evolution of different styles of music. The extensive participation by the audience added a special vibrance to the event and was a delight to watch. While music lovers and their enthusiasm made the event successful, sumptuous dinner was served following the event, which added a special touch.

Rotaract club of DAPM RV Dental College Bangalore was presented an appreciation award for their invaluable contribution to serve the humanity and mankind and making this Aarohan 2023-24 a great success, by the Rotary Club JP Nagar Bangalore.

REPORT on CDE program: "TADS in Orthodontics – Current Concepts"

The Department of Orthodontics organized a CDE program for MDS (Orthodontics) students on October 25th, 2023, focusing on the topic "TADs in Orthodontics – Current Concepts." The lecture was presented by Dr. Meenakshi Balakrishnan, an international speaker with 18 years of experience as a private practitioner in Downers Grove, Chicago. She is also a visiting lecturer at the University of Illinois, Chicago.

During the session, Dr. Balakrishnan provided a detailed and insightful presentation on the use of Temporary Anchorage Devices (TADs) in orthodontic treatment. The lecture included a series of case reports, offering practical insights into the clinical applications of TADs and their role in contemporary orthodontic practice.

The CDE program was attended by 25 postgraduate students, including both current MDS students and alumni from RV Dental College. The session was well-received, with active participation and engagement from the attendees.

Report on CDE Program: Orthodontic Biomechanics

The **Department of Orthodontics and Dentofacial Orthopaedics** at **D.A.P.M. RV Dental College** conducted a CDE program, featuring a series of lectures by **Dr. Nanda Kumar**. This program focused on **Orthodontic Biomechanics**, covering essential principles of biomechanics and their clinical applications in orthodontics.

The program began with a series of **three online sessions**, held on **November 6th, 9th, and 19th, 2023**. These sessions provided participants with an in-depth understanding of the fundamental mechanics of tooth movement and orthodontic force systems, the basics of tooth movement mechanics and the forces involved in orthodontic treatment, An overview of various orthodontic force systems and their clinical applications.

The **offline lecture on December 30th, 2023**, provided a more interactive experience. In this session he provided insights into the role of biomechanics in treatment planning and achieving optimal clinical outcomes, showed treated cases, provided practical examples of how biomechanical principles are applied in clinical practice. The session allowed participants to discuss specific challenges and solutions in orthodontic biomechanics.

Around 35 MDS students participated in this CDE program, including postgraduate students from RV Dental College and V.S. Dental College. The program was highly engaging and provided valuable educational insights into the biomechanics that underpin successful orthodontic treatments.

30/10/2024-25

The department of Oral Medicine and Radiology D A Pandu Memorial R V Dental College, Bangalore organized a workshop title "Training Workshop on Tobacco Deaddiction Therapies" on 21st March 2024.

Title: "Training Workshop on Tobacco Deaddiction Therapies"

Venue: 2nd Floor Auditorium, D A Pandu Memorial R V Dental College, Bangalore

Date: 21st March 2024.

Guest Speaker : Dr Nilam Gada

Duration : 10am to 1pm

Program Details:

On the 21st of March 2024, the Department of Oral Medicine and Radiology at D A Pandu Memorial R V Dental College, Bangalore, organized a significant workshop titled "Training Workshop on Tobacco Deaddiction Therapies." The workshop aimed to address the critical issue of tobacco addiction and equip attendees with knowledge and skills necessary for effective tobacco deaddiction therapies. The workshop commenced promptly at 10:00 am in the 2nd Floor Auditorium of the dental college. It began with an introduction by the organizing committee, outlining the objectives of the workshop and its importance in combating tobacco addiction.

Dr Priyanka (PG, Dept of OMDR) gave the invocation song and Dr Devopratim Biswas (PG, Dept of OMDR) was the moderator for the session.

Dr Nilam Gada's presentation shed light on the detrimental effects of tobacco on oral health, emphasizing the urgency for intervention. She elaborated on pharmacological interventions, discussing various medications and their efficacy in aiding tobacco cessation. She focused on behavioral therapies, emphasizing the importance of counseling and support systems in overcoming addiction.

The Training Workshop on Tobacco Deaddiction Therapies was a huge success, providing attendees with comprehensive knowledge and resources to combat tobacco addiction effectively. The collaborative efforts of the Department of Oral Medicine and Radiology, along with esteemed speakers, contributed to the workshop's success in raising awareness and promoting strategies for tobacco cessation.

DEPT OF ORAL MEDICINE AND RADIOLOGY

The department of Oral Medicine and Radiology, D A Pandu Memorial R V Dental College, Bangalore organized a CDE program on 22nd December 2023.

Title: "Dentistry in the USA"

Venue: 2nd Floor Auditorium, D A Pandu Memorial R V Dental College, Bangalore

Date: 22nd December 2023

Guest Speaker : Dr Kavitha Kulkarni

Program Details: The program began with an invocation song by Dr Priyanka (PG, Dept of OMDR, DAP MRV DC). This was followed by welcome address and introduction of the guest speaker by Dr Shriyanka R, Lecturer, Dept of OMDR.

The speaker for the session was Dr Kavitha Kulkarni. In the US, she has worked in a variety of dental environments. She worked in a large corporate dental organization, set up a mobile dental unit for old age homes, and for the past 15 years, Dr. Kulkarni has been running "Smile-ist", her own dental practice out of two locations in Arizona. She spoke on "Dentistry in the USA". Post the session she delightfully answered all the queries put forth to her by the students. The session ended with vote of thanks by Dr Revan Kumar Joshi (Reader, Dept of OMDR)

The program was very well appreciated by students and staff.
